52 Magical Wishes Granted!

In 2012, we granted 52 Magical Wishes ... more than any other year!

27 Disney World Wishes

On the morning of their Wish, each child was chauffeured to the airport with their families in style in a shiny black stretch limousine. While in Orlando, they stayed in their very own private villa at the enchanting Give Kids the World Village, a special 70-acre resort built just for Wish kids and their families going to Disney World. They had a blast at all of the Disney Theme Parks, Universal Studios, Sea World, and much more. Not to mention the parties going on at the village every night, including a Luau, Halloween, a huge birthday party, Village Idol, and a special visit from Santa Claus. Each trip was filled with so much joy, happiness and respite from hospital visits and treatments... memories were made that will last a lifetime for each family!

Two of our Wish Kids & their families also participated in American Airlines' Something mAAgic flight, which is a special flight just for Wish Kids and their families going to Disney!

3 Shopping Spree Wishes

For each of these Wishes, the day was planned around all of the Wish Child's favorite places and things. We picked them and their family up in a limousine, which drove them around for the day and held all of their goodies, went to their favorite spot for lunch, and shopped 'til we dropped at all of their favorite places. Each of the children— Dana, Victoria, and Paul, were treated like the VIP's they truly are!

6 iPad/Electronic Wishes

While confined to the hospital or at home, iPads are a greatly enjoyed diversion for many of our Wish children. It's no surprise they want one of their very own! Of course, we can't stop at *just* an iPad... we have to throw some other surprises in there too. Like, a battery-operated car to drive around the hospital transplant isolation wing, a new stander to help with physical therapy, or some favorite toys and games. We also had a few wishes for gaming systems, including one for a special top-of-the-line gaming computer and accessories for the ultimate gaming experience.

3 Celebrity Meet & Greet Wishes

*Keldyn met Rob Dyrdek
in New Jersey*

*Casey met Mario Batali, her
favorite chef, in New York City*

*Ashley met Justin
Bieber in Las Vegas*

Peppa Pig, With the help of the local Home Depot, we completely made over his room into a space he can grow into and truly enjoy. He also received a fancy new play kitchen, which is one of his favorite things to play!!

3 Sea World Wishes

Roxann (below), along with Malorie and Destiny (not pictured) all wished to visit San Antonio and Sea World for their Magical Wish!

2 Magical Hawaiian Wishes

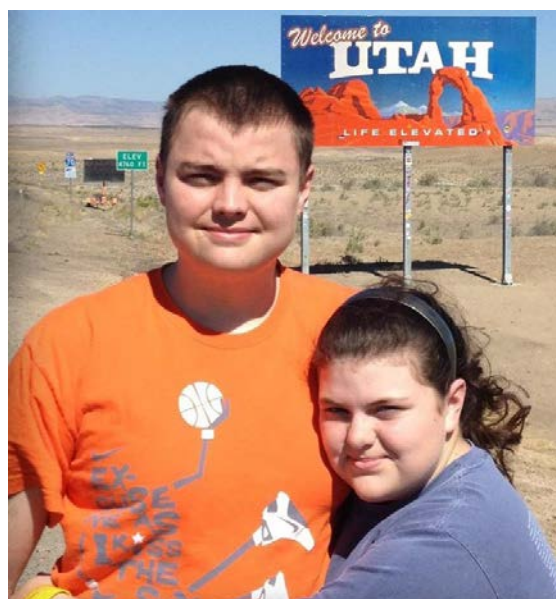

Two of our Wish Children, Justin and Katie, chose relaxing visits to Hawaii for their Magical Wishes ... perfect get-aways for some quality family time after fighting and beating their life-threatening conditions. While in Hawaii, they enjoyed traditional luaus, helicopter tours over the beautiful Hawaiian landscapes, dolphin

encounters, relaxing on the beach and so much more—including that well deserved and much needed family time.

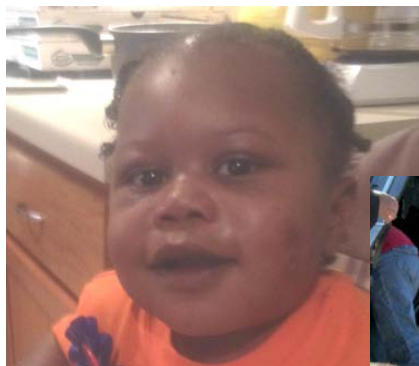

1 Alaskan Cruise Wish

With his love of the outdoors and adventure, Griffin chose an Alaskan Cruise with his family as his Wish, since he knew it would provide some relief from his routine hospital visits and treatments. The family road-tripped to their cruise port in Washington state, knowing it would provide even more time for making special memories. On the cruise, they enjoyed an Alaskan Salmon Bake, a Wildlife Expedition and Adventure, a Yukon Railway train ride across the White Pass and zip-lining through the Ketchikan forest. It was a trip filled with adventure and special memories!

2 Birthday Party Wishes

Some of our Wish Children, like Journey (left) and Daniel (right) simply Wish for a party to celebrate their birthday or another special occasion. Journey wished for a little red wagon filled with toys, and Daniel wished to go fishing at Bass Pro Shops.

1 Batman Adventure Day Wish

1 Medical Hot Tub Wish

Little Jason wished to have a medical hot tub installed so that he could receive daily therapy in the comfort of his own home.

He also got to visit the beach for the first time! It was all of his favorite things and made the most perfect Wish for sweet Sammy! Can you tell ... he LOVED his sunglasses!

1 Wish to Meet Grandparents from Mexico

Adorable Weldon simply wished to meet his grandparents from Mexico ... for the very first time! A Wish with Wings was able to bring his grandparents to Arlington for an extended visit with Weldon and the entire family.

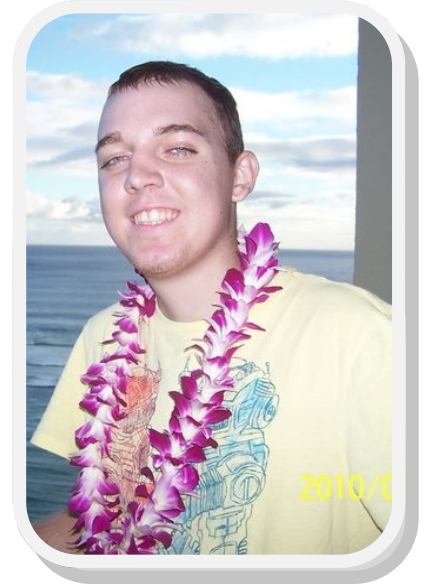

A NOTE OF THANKS FROM A SWEET WISH GIRL

Dear Wish with wings

Thank you so very much for making my wish possible. I was amazed by every detail of the trip from the limo ride to the airport until I returned home. Lesley and Judy were amazing. We enjoyed spending time with them and are thankful for everything they gave us. It was exciting to meet the pilot and get to sit in the cockpit. The dinner we were treated to was wonderful from the waiter to the delicious food. The room we had had an awesome view overlooking Times Square and the delicious gifts from the manager were a bonus. We really enjoyed seeing the sights of New York, especially the bus tour with Lesley and Judy. But the highlight of the trip was seeing Mario cook, tasting his food, and getting to speak with him. This was a once in a lifetime experience that we would not have been able to do without you. Again I want to thank you for granting my wish and allowing this trip to happen.

Casey Pearce

In Loving Memory

*Like a beautiful butterfly you fluttered into our lives
and touched our hearts forever. Fly little butterflies, fly!*

“Wings“

*If I could I would give you wings to lift you way up in the air.
And you could find the rainbow’s end ‘cause wings would get you there.*

*If I could I would give you wings to carry you out of the storm.
They’d take you higher than the wind and you’d be safe and warm.*

Wings. Little Wings. Wings in the wink of an eye.

Soon your little wings will be big enough to fly.

If I could I would give you wings to lighten your heart through the years.

They’d flutter soft around you then and dry up all your tears.

Wings. Little Wings. Wings in the wink of an eye.

Soon your little wings will be big enough to fly.
