## WHO WE ARE & WHAT WE DO

Texas' first wish granting organization was founded in 1982 for the purpose of bringing hope, happiness, joy and memories to families of children diagnosed with life-threatening medical conditions. Since first opening our doors in 1982, **a Wish with Wings** has granted more than 2,000 wishes to Texas children facing an uncertain future. Based in Fort Worth, we serve the entire state of Texas, with an focus on children in North Texas.

## WHAT IS THE COST OF A WISH?

Wish expenses vary depending by the actual wish, number of family participants, time of year, travel costs, etc. The average cost of a wish in 2025 was \$9,000, including all expenses paid for 71 children and their families.

## HOW ARE WISHES FUNDED?

Special events, such as our Butterflies & Boots Ball, the Bloody Mary Parade Brunch, Bingo & Bubbles Brunch, along with 3rd party events (golf tournaments, clay shoots, etc). Foundation grants, memorials, individual and corporate donations make up the balance of funds received each year. With an annual budget exceeding \$1.5M, we rely on our friends for vital support. *a Wish with Wings is a 501c.3. tax-exempt organization, Tax ID #75-1890339. Donations are deductible based on local guidelines. Overhead costs account for less than 9% of total expenses.*
